## Pioneer Park Field Lights

Baseball will be played under the lights again at Pioneer Park in 2011.

The \$979,346 project to replace lights that were knocked out in the December 2007 storm was completed in November, 2010.

That money was used to replace field lights on Failor Field (the main Little League Field), Ken Waite Field (the main Babe Ruth Field) and

slowpitch field #3.

Should be another exciting baseball season in Aberdeen.

**PLAY BALL!**

*FEMA and the Recreation and Conservation Office along with in-kind donations from the PUD helped with the project.*
