Ace Race Disc Named/For Sale

From Discraft - Zombee Want CHAAAAINS!

The 2012 Ace Race disc is now the Discraft Zombee, and it wants CHAAAAINS! Zombee isn't especially fast, but it is relentless in pursuit of its basket victims, moving in a straight line with added glide toward its prey. Zombee joins the Discraft hive as a utility driver with a 1.0 stability rating.

No date has been set for release to retailers, but all copies of the disc including Ace Race protos are now tournament legal.

We have about 25 of these discs for sale in our office for \$11.00 each. They are the left over discs from the Ace Race. We have some of each color: blue, green, or orange. First come, first serve. The Aberdeen Parks and Recreation is located on the 2nd floor of Aberdeen City Hall at 200 East Market St. Our regular office hours are M-F, 8:00 a.m.—12:30 p.m. and 1:30 p.m. - 5:00 p.m. Cash or check only.
