

Press Release/Updates, 7/9/2020

Due to the Coronavirus pandemic, rules and safety measures have changed and continue to change. We will look to follow the Public Health Department recommendations, Governor's orders/recommendations, and any variances approved for Grays Harbor County, regarding recreation and gathering restrictions as outlined in the Safe Start four phase approach. We are currently in Phase 3.

At this time:

- Parks are open, some amenities may not be available.
- Parks with sanicans will have 24 hour access. Restroom buildings within our park system will be open once staff has cleaned and sanitized them, these hours and days will vary. We apologize for any inconveniences.
- Walking trails are open, please follow the recommended social distance measures.
- Picnic shelters are open as long as people or groups are following the Governor's safety guidelines. We are not reserving picnic shelters at this time.
- Tennis Courts are available; you can call 360-537-3230 to receive a code to enter the locked courts. No more than two individuals per court. Tennis should be the only activity on the Sam Benn Tennis Courts.
- Disc Golf Course is open. Please practice social distancing.
- Playgrounds remain closed. We are working on a safe plan to open them.
- Bishop Building batting cages are closed.
- Soccer fields are available for games, please call 360-537-3248 to make arrangements.
- Baseball/Softball fields are available for games, please call 360-537-3248 to make arrangements.
- The water park at Finch Playfield remains closed. We are working on a safe plan to open it.
- Events at the Rotary Log Pavilion continue to be postponed or cancelled.
