

FOR IMMEDIATE RELEASE:

City of Aberdeen Scheduled Road Closures

Aberdeen, WA – June 22, 2022 – Chehalis Valley Timber LLC has been awarded the contract by the City of Aberdeen to harvest timber in the area of Lake Aberdeen. The City of Aberdeen, in conjunction with the contractor facilitating the work, requires a short term closure to maximize safety of those in the area during logging operations. This will include closing access to the west boat launch.

Lake Aberdeen's West Entrance will be closed to traffic on June 28th and June 29th in order to fall trees near the roadway. An additional 2 day closure will be announced in the coming weeks to remove the fallen trees from this area. The main entrance to the recreation area will remain open during the operation.
